These financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on February 14, 2023.

These results are in one primary segment only, i.e. Ophthalmics Lenses and therefore Ind AS 108 - Operating Segment is not applicable.

The Company had changed its policy for accounting for glass moulds used in the manufacture of ophthalmic lenses. The glass moulds which were earlier treated as Property, Plant and Equipment ('PPE') and depreciated over an estimated useful life are now being treated as inventory and charged to raw material consumption on actual utilisation in the manufacturing process. This change in accounting policy has been made because treating glass moulds as PPE and charging depreciation based on estimate of useful life does not fairly represent the actual nature and utilisation pattern of glass moulds in the manufacturing process. The impact of the change has been made from April 1, 2022 as retrospective application as required by Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors, is impractical. Due to the change, 'Depreciation and Amortisation Expense' is lower by Rs. 32.46 lakhs and Rs. 96.10 lakhs and 'Cost of Materials Consumed' is higher by Rs. 8.69 lakhs and Rs. 24.85 lakhs for the quarter and nine months ended December 31, 2022 respectively. Had this change in accounting policy not been made, the Earnings Per Share (Basic and Diluted) would be Rs. (0.38) and Rs. (2.93) (not annualised) for quarter and nine months ended December 31, 2022 respectively.

Figures of the previous periods have been regrouped, wherever necessary.

The above is an extract of the detailed format of quarterly financial results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the quarterly financial results are available on the Stock Exchange website (www.bseindia.com) and on Company's website (www.gkb.net).
